### **Berger transit level parts manual**

David White Model 8300 Manual-ebookdig.biz david white 8300 level transit The model 8300 Level Transit by David White is (in our opinion) the best level transit ever made, bar none. The LT8-300, the successor to the 8300, is still available, and is a good instrument, but doesn't quite match the ruggedness and quality of this earlier model.
