Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free.

### Brick

A brick is a type of block used to make walls, pavements and other elements in masonry construction. Traditionally, the term brick referred to a unit composed of fired clay, but it is now used to denote rectangular units made of clay-bearing soil, sand, and lime, or concrete materials. Bricks can be joined together using mortar, adhesives or by interlocking them.

Brick is a not a film as much as a symphony where each instrument is tuned to the beat of the conductor. Each frame is carefully orchestrated and composed to perfection. The dialogue is metered and spoken with a contemporary Shakespearean beat. Writer/Director Rian Johnson has created poetry with his first feature length film.
