**Calculus 6th Edition
Ellis - mail.trempealeau.net**

I have taken courses in Calculus at three different times - 1974, 1979-1980 and this year (2012) as a review of Calculus 3 (multi-variable). Of the three textbooks I used, the best was this one by Robert Ellis and Denny Gulick, which I used in 1979-1980.
