Bamberger and Davidson relate a sadder tale, which is subtitled "the life and death of an American factory." Closing is the story of White Furniture, but it can be read as a tale about any small industry in a rural southern town. Read it to see what those giant, now crumbling, brick buildings once held - economic prosperity. See the faces and read the stories of the employees who lost their livelihoods. When you finish Closing, open Factory Man.

Is Closure Ever Possible after the Death of a Loved One? We hear people talking about "closure" as if there is a door that can be shut after experiencing a tragedy in our lives, losing a loved one or being witness to a horrific event such as the terrorist attack on the World Trade Center. Friends might ask "Haven't you reached closure yet?"

Closing explores the meaning of work—what it means when you have it, what it means when you do not. The story of the White Furniture Company—a century-old, family-owned business that was bought out by a huge corporate conglomerate and later closed—puts a human face on an economy in costly transition. Bill Bamberger took his revealing and powerful photographs during the last
