Continuing Professional
Development (CPD)

CPD is learning that
develops and
maintains professional
competence to enable
members to continue
to perform their
professional roles. Any
learning and
development that is
relevant and
appropriate to a
member's work and

POLICY

CPD stands for Continuing Professional Development. It refers to the process of tracking and documenting the skills, knowledge and experience that you gain both formally and informally as you work, beyond any initial training. It's a record of what you experience, learn and then apply.

What is Continuing
