Countering violent extremism and humanitarian action | NRC

Extremism is no crime. But there is a tendency to equate protest, rebellion, and radicalism as somehow related to the problem of “violent extremism”. Yet even the most hardline groups have many in their ranks who have joined for a range of non-ideological reasons, and so much is still unknown about how and why people become radicalised.

Preventing and countering violent extremism (PVE/CVE) As with the concept of 'violent extremism', there is no universal consensus regarding what exactly constitutes 'preventing' or 'countering violent extremism' (PVE/CVE) nor what forms these should take (McCants and Watts, 2012). The key elements of CVE tend to comprise the "use of non-coercive means to dissuade individuals or groups from mobilizing towards violence and to mitigate recruitment, support, facilitation or engagement in ...
