In April 2010, cooperative agreements were awarded to Oregon Health & Science University, University of Alabama at Birmingham, Johns Hopkins University, Columbia University, and Duke University. Each of these Curriculum Development Centers has been funded to develop, revise, and share curriculum components covering a specific set of health IT content areas.

What is the role of each Curriculum Development Center and ...

In Zambia, curriculum development for primary and secondary schools is done centrally. The Curriculum Development Centre (CDC), the institution placed with the responsibility of facilitating curriculum development, claims that the Zambian school curriculum is developed through a consultative and participatory approach through course and subject panels where teachers and other stakeholders are represented.
