20. History. History lessons are a great way to fill a blog with useful information. Long-time bloggers often get caught up on current events, so occasional forays into history help create consistent content. 21. Gifs and memes. It wasn't just listicles that made Buzzfeed so popular. Memes and gifs are widely used on the site too.

35 Blogging Ideas That Are Guaranteed to Be Popular Topics

If your blog is slow, this is not good. All too often, I've visited blogs (psst...Blogger in particular is notoriously slow) that took so long to load, I just hit the back button and went on my merry way elsewhere. If this is your blog, this is not good. Generally, site pages need to load in under 15 seconds before people will give up on you.

The Secrets to Successful Fashion Blogging - Kristina

Selling your own products and services directly on your blog is a great way to increase your income. As your blog grows and you begin to see a wide audience, your products and services will begin to sell themselves. Use the sidebar of your blog to increase the visibility of what you sell using visual images and a link to your storefront page.
