There will always be burning questions in life, but these four remain special because they start a spark, and from that spark you will have a fire in your heart. That fire will make you live your life with excitement and passion. The old man with the white beard showed me the spiritual side of life, where real passion and excitement come from.

Fire in the Heart continues with the story of Edenville and the beautiful family that includes those who are not born into the family. Bringing light to the Indian world touched me in a strong way. Shayna is a strong character with a real love for the Indians, and the story of all she does to right the wrongs faced by Indians of her past was a beautiful story.

Forced to choose between staying and joining the mission or leaving to stay safe and postpone their honeymoon, Alexei and Sean make the only decision they can—to fight. Fire in the Heart is a 28,000 word novella that takes place after New Horizons in the Metahuman Files: Classified series.

### **Fire in the Heart by Hailey Turner - Goodreads**

San Francisco - I stood by Lake Oroville, looking at the bridge. The night sky was orange, lighting the distant tree tops. The hillside was dotted with fire and reflected on the water. I snapped a picture. The road over the Bidwell Bar Bridge seemed to run straight into the heart of the flames, writes Josh Edelson, whose pictures have been used by Donald Trump and Hillary
