Framed by an account of Schneider's own unique journey, God in Proof illuminates the great minds who wrestled with one of history's biggest questions together with their arguments, bringing them to life in their time, and our own. Schneider's sure-handed portrayal of the characters and ideas involved in the search for proof challenges how we normally think about doubt and faith while showing that, in their quest for certainty and the proofs to declare it, thinkers on either side of the God ...

## **God in Proof: The Story of a Search, from the Ancients to ...**

While writing "God in Proof: The Story of a Search from the Ancients to the Internet," I found that proofs about God through history reveal a lot more than they're given credit for. Like artifacts from a lost time dug up from the ground, these proofs offer glimpses into how people imagined their place in the universe and their chances of knowing anything meaningful about the divine.
