The first part of the book is Paul Farmer's account of why the devastation in Haiti was so great. Port Au Prince was destroyed by the earthquake because of the inadequate construction of almost all of the buildings and homes. Only a small percentage are built according to acceptable standards.

Haiti: After the Earthquake by Paul Farmer

Dr. Paul Farmer, Partners in Health and its sister Haitian organization Zanmi Sante, have transformed health care delivery in rural Haiti. When the earthquake shook Haiti to its very foundations in January, 2010, Farmer and his colleagues were jolted out of the "comfort zone" that they had established in and around rural Cange, and were confronted with the need to respond to the overwhelming acute medical needs that the earthquake had created in urban Port-au-Prince.
