Other authors in this book address the benefits of intercultural action and integration into a country's educational system. International education is seen to benefit through a greater attention to face-to-face cross-cultural experience. The first seven essays are good descriptions of intercultural behavior

Training
analyzes with depth and clarity regions of the world where intercultural issues of the 20th century have heightened - including Central and South America, Europe, China, Eastern Europe, Russia, and Israel. Sexuality is also explored as a type of culture, forging a broader, contemporary definition of culture.
