The concept of the mysterious wood, the prince from a far-away and magical land, the evil dragon, etc. is all very interesting and full of great ways to develop a plot. Unfortunately, most of the plot in this book focused on a young, mostly whiny princess who wanted nothing more than to have scores of suitors coming to her house to appreciate her and propose to her. Ugh.

The time has come at long last to reveal the cover for Draven's Light, the newest novella set in the Tales of Goldstone Wood! Well, I say novella... really, at 50,000 words, it's more of a short novel. Significantly smaller than your average Goldstone Wood novel, but a good-sized chunk of story even so.
