Hijras, the labelled deviants (Book, 1989) [WorldCat.org]

Condition: New. The present study "Hijras : The Labelled Deviants" is the outcome of the help rendered to me by my teachers and friends. I, therefore, consider it my great privilege to express my deep sense of gratitude towards all of them. To begin with, it was Prof. Prakash N. Pimpley, my teacher, who suggested to me to work on Eunuchs (Hijras).

Hijras

Indian Hijra or a transgender person, which is known as the Third Gender globally, is considered physically and psychologically ambivalent and because of ambivalence people consider them freaks (hiding their sexual identity). They are physically, verbally, and sexually abused. Hijras have been stigmatized and marginalized to a large extent.

The Hijras of Ancient to Modern India - Brewminate

Since perceived gender and sexual disorder signals political disorder to the state, non-normative gender and sexual identities are understood as political threats. As a result, Hijras have sadly been – and continue to be – seen as deviant people by both colonial and postcolonial states.

The long history of criminalising Hijras - Himal Southasian

Transgender people in India, commonly known as the Hijras, who claim to be neither male nor female, are socially excluded in Indian society. The uniqueness of Hijras lies not only in their existence beyond social structure but also in Indian society's historical acceptance of that position.

The hijras of India: A marginal community with paradox ...

HIJRAS: The Labelled Deviants By Satish Kumar Sharma New Delhi: Gian Publishing House, 1989 [This is a rather frustrating book to try to understand. It is apparently based on a Ph.D. dissertation in sociology and refers to the author's fieldwork with a number of hijra.

Hijra in India

The Hijras of India occupy a paradoxical space in the binary gender continuum of male-female and are also ubiquitous group under the umbrella term of transgender.

The article examines through a historical lens, how the emasculated body of hijras takes on different and often contrasting meanings embodied in social roles, statuses and identities. It follows the trajectory of the historical space occupied by hijras since the beginning of the Mughal Empire in the 16th century and traces the roles and identities of hijras that have continuously been in a ...

Emasculated Bodies of Hijras: Sites of Imposed, Resisted ...

Hijras are officially recognized as third gender in the Indian subcontinent, being considered neither completely male nor female. Hijras have a recorded history in the Indian subcontinent since antiquity, as suggested by the Kama Sutra. Many hijras live in well-defined and organised all-hijra communities, led by a guru.
