I used to think that taming your inner demons was a matter of transcending them. I used to believe that the gnawing notion of “not good enough” would be silenced when I was able to move past my mind’s eye, because of course, our inner demons do not base their case in reality. Our inner demons strike us at our sore spots.

The Edge of Hell, Closest point to the Void The Castle on the cliff face overlooking the void was a beacon in the darkened skies. The gold flames that lit up the castle illuminated it in the endless nothingness. The cliff itself looked like it was part of the void due to the blackstone it was made out of. The bottom of the cliffs had pieces broken off that were just endlessly floating in the ...
