I simply cannot say enough about Marti Talbott's Clan MacGreagor series of books. From "The Viking," which tells the story of how the MacGreagor Clan first started, through her eleven-book Highlander Series, which explores generation after generation of the MacGreagor Clan, to the present "Marblestone Mansion, Book 1," which brings the MacGreagor Clan to the American Colorado Rockies, these ...

Marblestone Mansion Lovely, sweet story, but maybe a few too many characters of which to keep track. However, the central characters were interesting, and you made me feel as if I was right there in the story as an observer. The book does need proofing & corrections. In addition to other corrections, which need to be made, two items of note are: 1.
