Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Munkman The Technique Of Advocacy

John Munkman, the author of the book, calls them "techniques" and he divides them into 4: (1). The Technique of Confrontation. It consists of firing damaging facts at the witness to break down his story; (2). The Technique of Probing. It consists simply of delving into the story as told so as to detect and expose its inherent weaknesses; (3).
