The VS-1.2a is designed for use as either a center channel speaker in its horizontal orientation, or a satellite speaker in its vertical orientation. The VS-1.2a is designed for indoor use only. When installing the VS-1.2a as a center channel speaker, it should be placed directly above or below the television, as close to the

### **VS-1**

NHT VS-2 Centre Speaker. The VS-2 has a horizontal woofer-tweeter-woofer design. The back of its gloss-black cabinet sports dual five-way binding-post connectors and a clever post that adjusts to tilt the cabinet so that it aims directly toward the listening area. It is a good-looking speaker, and I particularly like the way its nicely finished grille cloth stands slightly away from the cabinet's front panel.
