High temperatures delayed initial rescue attempts, which began Tuesday night after the climber called-in for help. The woman, 23-year-old Lucile Townley of Carnation, was struck by a falling rock, causing her to fall 20 feet, said Rich Magnussen with Chelan County Emergency Management. She suffered a fractured arm and leg, as well as a head injury.

Over-water night hoist rescues are some of the most challenging and hazardous helicopter missions, according to AirMed&Rescue's contacts. "You have to trust your instruments due to the decreased visibility and lack of hover references and loss of a horizon, particularly with poor weather at night." explained Lt Sam Ingham, an HH-65 pilot stationed at Air Station San Francisco.
