them wherever you are now.

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Perspectives On Drug Addiction In

Often the key to overcoming addiction is viewing it from a variety of perspectives. Albert Einstein once said "no problem can be solved from the same level of consciousness that created it." Our mindset in addiction cannot be the same mindset to get out of addiction. Taking an introspective approach almost always leads to positive outcomes.
