Map clues are an image of the location the player needs to search to advance along their trail. Maps are found across all levels of clue scroll. They are rough pictures of a very local area, normally about the size of the Lumbridge Castle. If the map leads to an X, the player needs to take a spade to the place indicated on the map with the X and dig there. The spade on a tool belt will work ...

Emote clues involve equipping certain items in a particular location and performing an emote. They were first introduced to treasure trails on 5 December 2006. These types of clues are featured in all levels of clue scrolls, and most (but not all) items required for the emote clues can be obtained in shops, although using the Grand Exchange is recommended. Once the emote has been performed, an ...
