In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### **Pirates Manhattan Barry Dyke International**

In "The Pirates of Manhattan II: Highway to Serfdom" Barry James Dyke warns us that America is an empire in decline. We have an asset management industrial complex which controls the nation's savings and credit for the enrichment of Wall Street, mutual fund companies, global asset managers, executive insiders and the media.
