Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Puzzling World Of Winston Breen

Eric Berlin's middle-grade mystery novel *The Puzzling World of Winston Breen* (2007) is the first in a trilogy of books that center on a preteen puzzle solver and amateur sleuth. Berlin builds his mystery around a wide variety of moderately to very difficult number, letter, word, geometric, and logic codes and puzzles that the reader can solve alongside his characters.
