## **Studying Engineering, 5th Ed - Discovery Press Books**

The only thing is, the only kind of engineering student it would help is a kid who has been living under a damn rock for his or her whole life. It has the most pointless, most tedious, the most elaborate questions or problems to answer at the en I had to read this entire textbook, cover to cover, for my engineering class.

Dr. Landis is recognized as the "father" of Minority Engineering Programs in the U.S. His "community building/collaborative learning" MEP model has been widely replicated at universities all across the nation. His experience in teaching Introduction to Engineering courses, the cornerstone of that model, led him to write Studying Engineering.
