How to Prepare for Your Role as Teacher in a Montessori Classroom So, how do we prepare to teach children? The starting point to preparing yourself for the classroom, or for parenting, is to make time and space to work really hard to understand our role in the presence of a child. Our “aura” or “vibe”, for lack of better descriptive words, really do matter a lot.

Classical versus Montessori education—could there be two philosophies more different? One is very structured, with a formal progression from early ages to high school. (Read Dorothy Sayers' influential essay, "The Lost Tools of Learning," to better understand the trivium concept of classical education.) Classical education attempts to use rigorous, structured academics to train ...
