Art From The Bark

As the art of Aboriginal bark painting evolved from the rock art tradition, it is no surprise that they share similar subject matter: human figures, animals, spirit beings, ceremonial designs and Dreaming stories. Bark, however, was a more sympathetic painting surface and offered artists a greater opportunity for detail and decoration.

Art From The Bark Classes

While an entire tree is magnificent, every part of it is even more magical, like the bark, which presents art in its patterns. I observe it as a pastime, or when we are waiting for something else. While waiting for a tiny bird to come back to its tree-home, a bark design caught my eye in Gir forest.
