## **Trial Advocacy Basics**

BASICS details how to design a coherent story based around character [the dominant trait of a player in the trial]; motive [the trigger that caused this player to act]; and plot [a combination of the action and the thought process of the player]. It expands this with one common advocacy component, the “theme” [the “hook” that focuses the jury and establishes the morality of the cause or defense]; and adds a less-often mentioned one, “stakes,” the significant impact the desired ...
