Just about every car on the road these days features a factory stereo. To help you find compatible aftermarket replacements, we've disassembled the dashes and door panels of tens of thousands of vehicles, measured the spaces where these factory stereos and speakers fit, and loaded our findings into our massive fit database.

Find what fits your car - Crutchfield

If your vehicle frequently faces any of these conditions, consider switching to the severe maintenance schedule. The added cost of more frequent oil and transmission fluid changes will be offset with fewer breakdowns and serious repairs. As a rule of thumb though, you can use this general car maintenance checklist to guide you.

transport 16 or more passengers, including driver, and d) any vehicle used to transport hazardous materials.

Chapter 4: Fleet Management

Prep Your Tires. Flat spots can occur when a car sits too long, as air gradually releases and the weight of the car presses them down. It's recommended to inflate your tires to the maximum pressure recommendation listed on the sidewalls before you leave your car, to account for this loss of air pressure.. Another recommendation to prevent flat spotting is to place your vehicle on jack stands.
